Introduction

The following slides contain the aggregated results of all pupils that completed SATs in the 14 Talk for Writing Training schools in England and 6 of the Showcase Schools.

The data covers 2016 to 2024. No results were collected in 2020 or 2021 due to the pandemic.

All figures in the charts are displayed as a percentage.

Data was collected for EYs, KS1 and KS2, but as the KS1 SATs are no longer statutory, not all schools returned KS1 data.

Of the 10 Showcase Schools, data has been collected from 6 and included as a separate bar on the relevant charts. Four Showcase Schools are omitted from the data for the following reasons:

- Glenwood are in Northern Ireland and therefore don't do SATs,
- Catherine Infants do not have KS2 and are therefore not included in the KS2 data,
- Parkside and St John's are Special Schools.

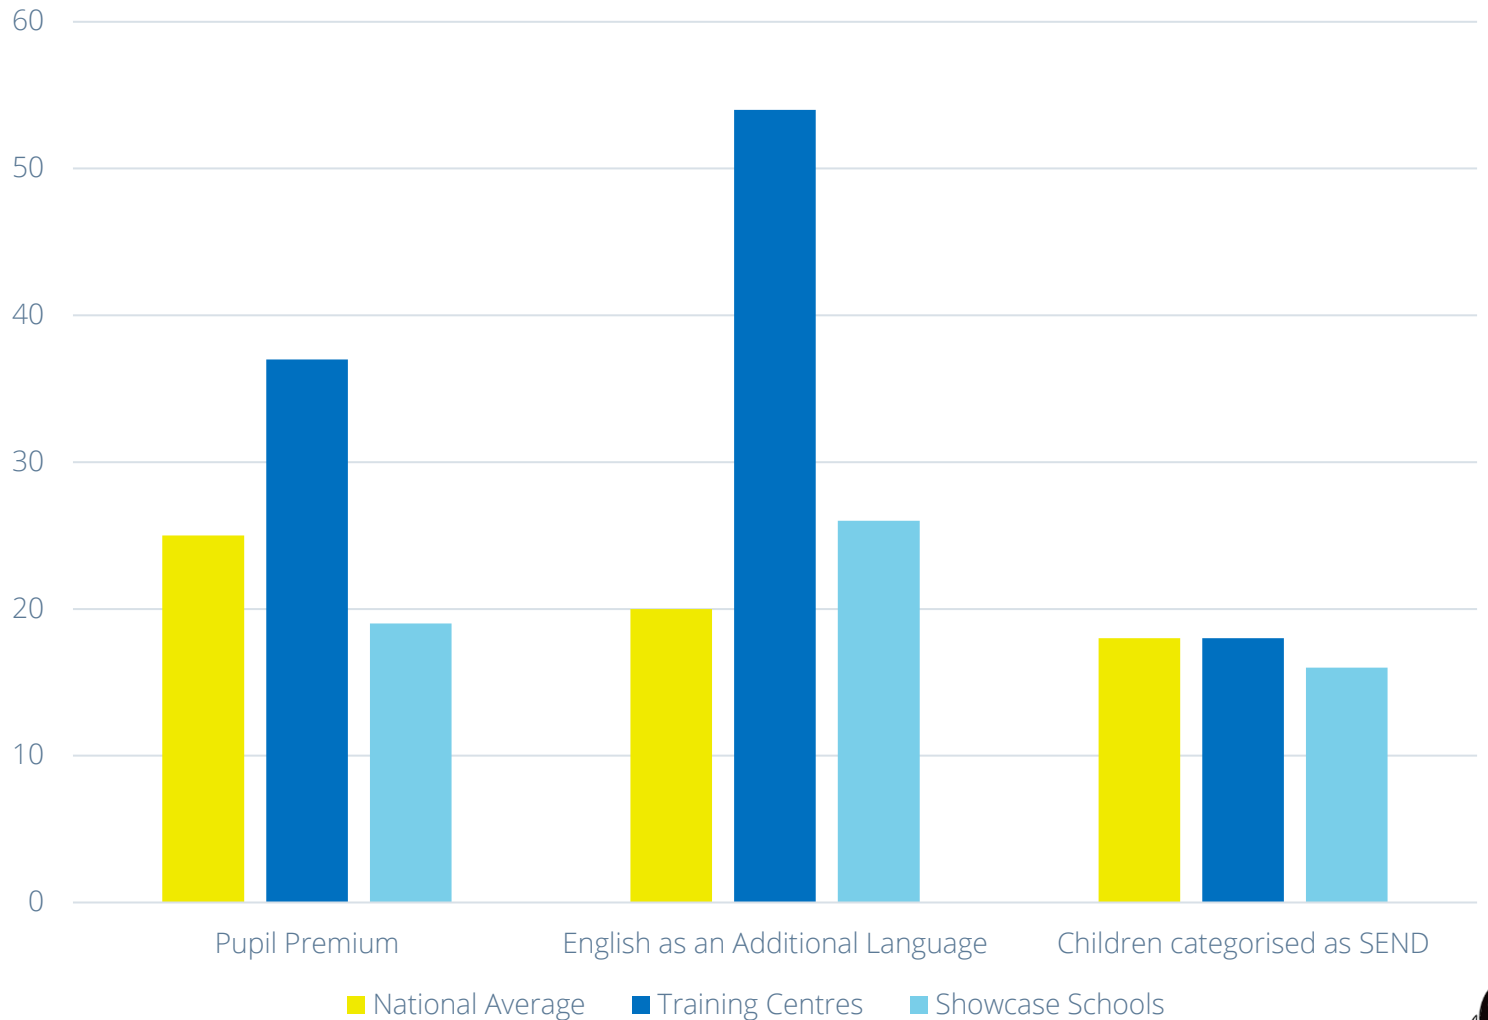

Context of the schools

Percentage of pupils that qualify for Pupil Premium, have English as an additional language or have a special educational need vs the National Average

This chart shows the context of the 14 Training Centre schools and 6 Showcase Schools in comparison to the national average for Pupil Premium, EAL and SEND.

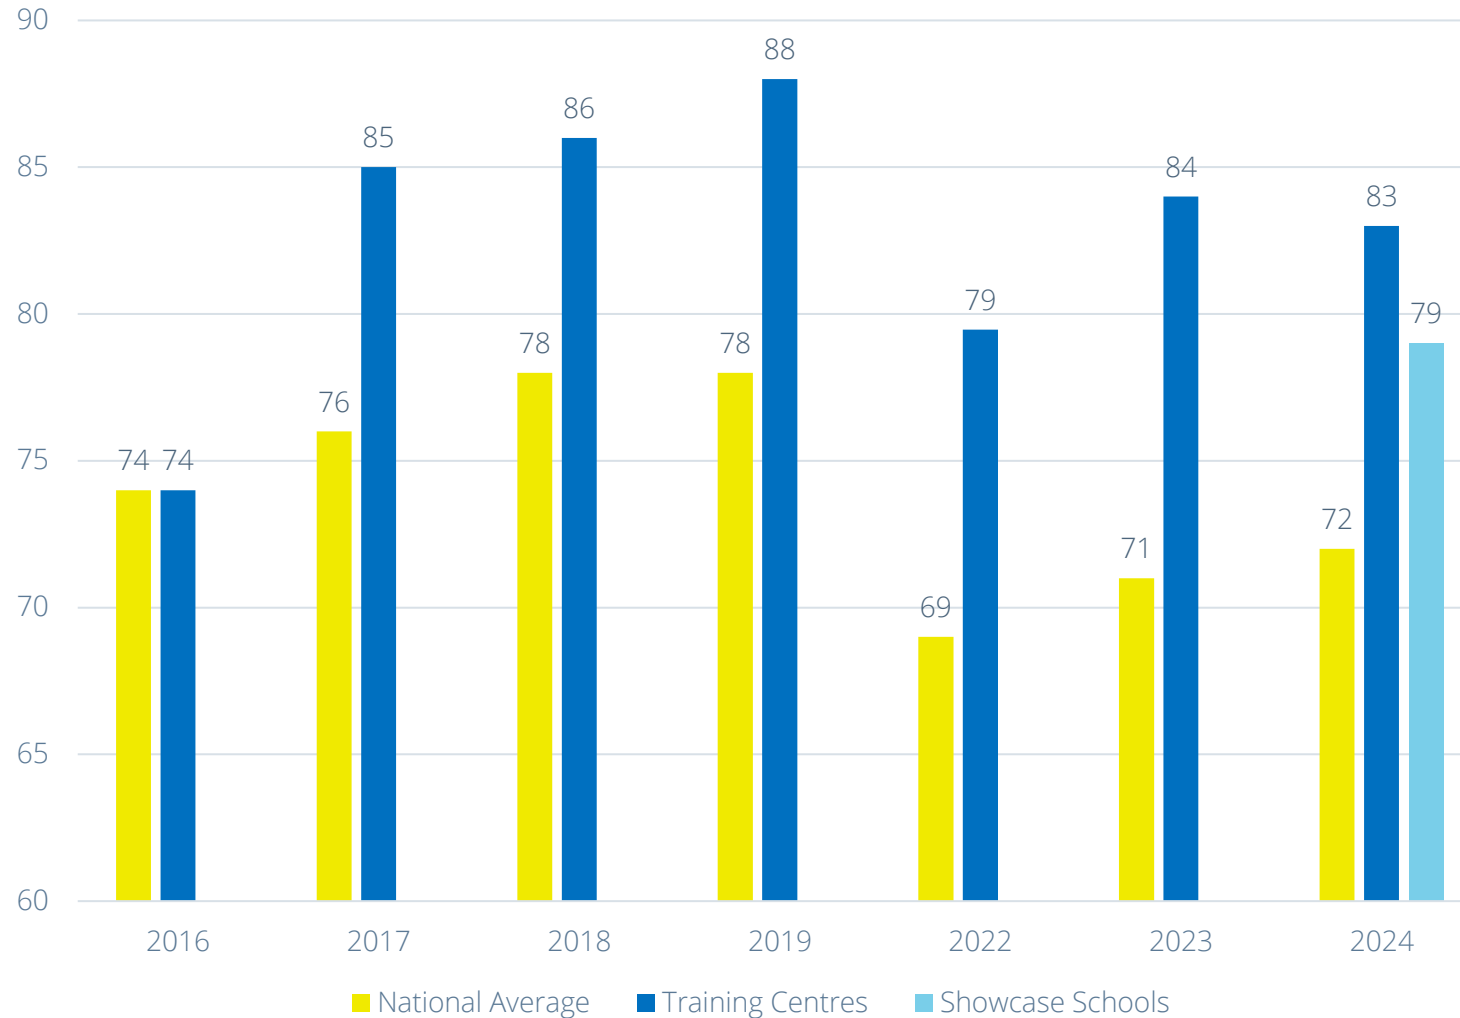

Number of pupils in Year 6 at Training Centres = 1028.

Number of pupils in Year 6 at Showcase Schools = 387.
